

## Camp Details

### About Shadow Lane Farm:

The facility features a large sand arena and jump field complete with ditches, bank, water jump, permanent and portable cross country jumps as well as show jumps. For the purposes of the camp, we have the ability to have two dressage rings and courses of show jumps set to maximize the number of private and semi-private lessons for participants. Additionally, comfortable heated facilities provide a good haven from the outdoor elements and increase the comfort of participants.

### Meals:

Camp meals are well balanced and consist of quality foods with fresh meats, fruits, and vegetables. Lunches usually consist of hand-foods and are served picnic-style. Hot drinks will be available throughout the day. If you have special dietary requirement or are celebrating a special event during the camp, please let us know in advance.

### Weather:

The weather in Aiken during early February can be variable with an average range of 36 to 63 degrees. Prepare for the worst and expect that at some point the sun may shine and you and your horse will want to shed a couple of layers. It is recommended that horses be full body clipped prior to start of camp.

### Aiken Eventing Camp provides the following:

- Stabling
- Bedding
- Wheelbarrows
- Breakfast and Lunch Daily
